The Company is authorized and regulated as a Securities Dealer by the Financial Services Authority under Securities Dealer license number SD142.

“Loyalty Bonus” means ForexVox Loyalty Bonus promotion, terms and conditions for which are described in these Terms.

“Terms” means these Loyalty Bonus Terms & Conditions.

1. Introduction

1.1. ForexVox (Seychelles) Financial Services Ltd. is a Company incorporated and registered under the laws of Seychelles with Company number 8430368-1. The Company is authorized and regulated as a Securities Dealer by the Financial Services Authority under Securities Dealer license number SD142.

1.2. These Terms shall supplement and make an integral part of the Client Services Agreement. All capitalized terms not defined in these Terms shall have the same meaning as in the Client Services Agreement. All matters not covered by these Terms shall be resolved according to the Client Services Agreement.

2. Specific Loyalty Bonus Terms

2.1. The Loyalty Bonus is a Loyalty Bonus, which is a percentage of the deposited sum that can be received when the Client makes a deposit from their Client Area.

2.2. The Loyalty Bonus is available for all the Company's Clients who have an open real trading account with the Company.

2.3. The Client can receive the Loyalty Bonus at 30% of the total deposit amount.

2.4. The minimum deposit for the Client to obtain the Loyalty Bonus is 50.00 USD. The amounts of deposits are not summed, the Loyalty Bonus can be received only on the one-time deposits of minimum 50.00 USD. For example, the client deposits 25.00 USD and 25.00 USD, this will not be considered as 50.00 USD for the purposes of this Welcome Bonus. Deposits made using any available payment system participate in this Loyalty Bonus.

2.5. The Loyalty Bonus will not be added to internal transfers and to deposits from contests/promotions of the Company.

2.6. The maximum size of the Loyalty Bonus the Client can receive in total is 5 000.00 USD for the lifetime of the account. Loyalty Bonus can be obtained several times, on one or more different deposits, each meeting the requirements regarding the minimum amount and other conditions described in this Terms. Loyalty Bonus can be obtained on one or more trading accounts, but the total amount of Loyalty Bonuses on all trading accounts shall not exceed 5 000.00 USD, for the lifetime of the account. Example:

Deposit Number	Deposit Amount	Loyalty Bonus Applied	Trading Equity
1	\$1 000.00	\$300.00	\$1 300.00
2	\$2 000.00	\$600.00	\$3 900.00
3	\$5 000.00	\$1 500.00	\$10 400.00
4	\$7 000.00	\$2 100.00	\$19 500.00
5	\$3 000.00	\$500.00	\$23 000.00

2.7. The Loyalty Bonus will be available on such trading account types as the Company shall determine from time to time. In order to obtain the Loyalty Bonus, the Client shall contact the Company via support@marketsvox.com and indicate that he would like to apply Loyalty Bonus to the trading account once the deposit is completed, and the Company will assess whether it can apply it to the Client's trading account type. By applying to receive the Loyalty Bonus, the Client acknowledges that he have read,

understood, and accepted these Terms.

2.8. In case the Client has an active Loyalty Bonus on their account, all their funds are divided into two parts: the Client's own funds and the bonus funds. The Client's own funds consist of their deposits less withdrawals (excluding bonuses) and the profit they receive when trading using these funds. The Client's own funds can be used in trading without any limitations. The bonus funds are reflected on the trading account in the field "Credit" and can be used as additional margin for trading.

2.9. The Loyalty Bonus funds can't be used during 'drawdown'. If the Equity on the trading account is less than the total sum of all active bonuses, that is less than Credit, Loyalty Bonus will be cancelled and removed from the account.

3. General Terms

3.1. Please note that it might take up to 24 hours for the Company to apply Loyalty Bonus. Before applying the Loyalty Bonus or at any moment after the Company might request the Client to complete an additional liveness verification check. The Company shall not apply the Loyalty Bonus if the Client refuses to complete liveness verification check.

3.2. The Company reserves the right to refuse to provide the Loyalty Bonus to the Client in case if there was any trading activity on the account. In case if at the moment when Company applies the Loyalty Bonus the Equity on the Client's trading account is less than the deposit amount on which the Loyalty Bonus is claimed, the Company shall only apply the Loyalty Bonus as per Equity at that moment of time, proportionally, within the limits stated in p.2.6. Example:

Deposit Amount	Loyalty Bonus Claimed	Trading Equity	Loyalty Bonus Applied
\$1 000.00	\$300.00	\$500.00	\$150.00

3.3. While there is any active Loyalty Bonus on the account the Client own funds are available for withdrawal, however, if any part of the Client's own funds or profit from trading with Client's own funds and bonus funds is withdrawn after the Loyalty Bonus has been claimed, the Loyalty Bonus will be cancelled.

3.4. The Loyalty Bonus lasts for the maximum 60 days from the day the Loyalty Bonus was applied. If after expiration 60 days the Client has a positive balance with credit applied, Loyalty Bonus will be automatically cancelled and removed from the account. The Client can apply to cancel Loyalty Bonus as any time.

3.5. Trading in Loyalty Bonus funds will result in usual Remuneration paid to Introducing Broker who referred the Client, if any.

3.6. The Loyalty Bonus can only be claimed by each Client within the limit provided in p.2.6. If any information of the Client obtained during the registration and verification, including but not limited to name, phone, address, IP address, device, matches with other Client, the Company might consider this as a violation of these Terms. The Company might at its sole discretion consider as a violation of these Terms if another Loyalty Bonus is Claimed by the Client's representative, close family member, affiliate or affiliated entity, affiliated entity's directors or representatives.

3.7. The Company reserves the right to cancel the Loyalty Bonus as well as any or all trading results from trading with Loyalty Bonus funds, any Remunerations, rebates or cashbacks or any payments resulting thereon upon finding that the Client violates terms and conditions of these Terms or Client Services Agreement, or is involved in any suspicious or fraudulent activity, including but not limited to registering multiple accounts in order to claim more Loyalty Bonuses, making any form abusive trading, risk-free arbitrage, market manipulation, abusing technical features of Company's trading platform or other systems, or any types of risk-free activities aimed at benefiting from or exploiting the Loyalty Bonus without any economical reason or trading without bearing usual market risk. The Company will resolve such cases at its sole discretion.

3.8. If cancelling Loyalty Bonus for any reason would cause the margin to exceed the Client's own funds, the Company reserves the right to close any open positions at then-current market prices.

3.9. While there any active Loyalty Bonus on the account, the system might not always generate Margin Call during the 'drawdown'. Clients should maintain adequate levels of free margin in the account to maintain open positions at all times.

3.10. Any situation not described in these Terms shall be subject to the Company's decision. The Company reserves the right to change, amend, update, or cancel these Terms by posting an updated version on the website. By continuing to use the Loyalty Bonus Client agrees with any changes, amendments or updated to these Terms. The Company reserves the right to exclude a Client from participation in this promotion at any moment without explaining the reason.

4. Risk Warning

4.1. CFDs and FX are leveraged products and carry a high level of risk to the capital. These products may not be suitable for all Clients, so the Client shall ensure that he fully understand the risks involved.
